Upon submitting your online application you should see a page notifying you that your application was successfully completed, print that page for your records. When an affordable home becomes available, they will contact a limited number of applicants who are on the list for the size and income category of the home that will be available.

A final application and documentation to verify identity and income will be required and processed at that time. Since final applications are only processed when a specific affordable home becomes available, Piazza & Associates cannot accommodate applicants' choice of floor plan.

Applications must be completed by 1 p.m. on May 28, 2024.
